

# Send a Flock of Flamingos

## to help raise funds for the LHS Afterprom

For a \$10 donation, the Loveland High School Afterprom committee will flock your friend or neighbor's front yard. A flock of Plastic Pink Flamingos will anonymously land on the lawn of your choice sometime between February 25 and March 20, and remain there for 24 hours. We're hoping that your flocked friends will also help Afterprom by donating a \$20 "removal fee" and sending the flock on to another yard.

To send a flock of flamingos to a Loveland friend or neighbor, please return the form below with your donation of \$10 or more.

Afterprom is a drug and alcohol-free evening/overnight provided for Loveland juniors and seniors regardless of whether or not they attend the Prom. The celebration is meant to provide a safe and fun alternative to other, less desirable after prom activities. In order to provide this event for our high school students, we rely on fundraisers and donations.

If you would like to volunteer or would like more information about After Prom, please visit our website at [www.lovelandpta.org/afterprom](http://www.lovelandpta.org/afterprom) or contact our committee chair, Sara Dyer, at 697-9744.
